

Campus Compact

2018-2019 WEBINAR SERIES

Our webinar series takes the great and varied work happening on the ground and brings it to your desk.

Topics touch on issues of relevance to faculty, staff, students, and their partners in education and community building. Be sure to tune to each session for information, tools, and resources to support and inspire you.

9/20

University Junctions: Connecting writing and service-learning across campus

How can we connect writing and service-learning to achieve existing course goals? Anyone interested in incorporating more writing assignments into their service-learning courses should join.

Speakers: Rachel Morgan, Deb Young

9/27

Racial Equity Across College & High School: It's about liberation & transformation, not diversity & inclusion

How can systems that weren't built to educate students of color become places of belonging, liberation, and wholeness? This webinar will share real world examples and suggestions.

Speakers: Mila Buckland, Kaycie López Jones, Joshua Todd

11/13

Community Colleges as Civic Power Plants: Generating, harnessing, and spreading civic power

How can community colleges harness their public purpose? This webinar, inspired by Eric Liu's You Are More Powerful Than You Think, will share examples from an array of community colleges.

Speakers: Verdis Robinson

12/6

Students and Spirituality: Student motivation to do good

With students and staff from Interfaith Youth Core, this webinar will explore the intersection of faith and service as it relates to student motivation to engage in civic engagement.

Speaker: Janett I. Cordovés

1/24

Place-based Community Engagement in Higher Education

This webinar will explore geographically-specific community engagement strategies in higher education that have the potential to address challenges of inequity and injustice in our communities.

Speakers: Kent Koth, Erica Yamamaura

2/14

What Went Wrong? A Partnership Analysis Framework

This session offers a framework for analyzing and transcending structures and practices in community-academic research, education, and social action partnerships that limit effective democratic participation and distribution of power.

Speakers: Susan Gust, Cathy Jordan, Brian Lozenski, Brian Xiong

2/19

Integrating Civic Outcomes Across a Major or Program: Curriculum design and mapping for civic learning

In this webinar, attendees will focus on identifying, articulating, and mapping civic learning and developmental outcomes for their program of study or major.

Speaker: Anne Weiss

3/5

Exploring the Connection: Community engagement and college completion

This webinar will highlight the potential that community engagement offers to increase college completion rates.

Speakers: Lynn E. Pelco, Helen Rosenberg, Travis York, Deborah Scire

4/16

Census 2020 and Higher Education

In this webinar, we will discuss the vital role that colleges and universities can play in ensuring a fair and complete count in the 2020 Census.

Speaker: Sherrie J. Taylor
